

The 2022 IUBMB–FEBS–PABMB Young Scientists’ Forum (YSF 2022) will be held ahead of the joint 25th IUBMB, 46th FEBS, 15th PABMB Congress, on 6-9 July, 2022, in Vimeiro (Portugal) located on the Portuguese coast, 50 Km from Lisbon.

The YSF 2022 meeting will bring together around 120 selected young researchers in biochemistry and molecular biology, who will present and discuss their research with fellow participants and senior scientists and benefit from other activities before moving on to also experience the IUBMB-FEBS-PABMB Congress in Lisbon.

The PABMB will provide support for 8 selected participants to attend the 2022 YSF and the 25th IUBMB, 46th FEBS, 15th PABMB Congress.

Information on YSF Applications and Eligibility criteria can be found at <https://2022congress.febs-iubmb-pabmb.org/ysf-applications>
